## PROTECTION OF ORCHARDS AND VINEYARDS.

An Act to prevent the spread of the contagious diseases known as **YELLOWS, BLACK KNOT, PEACH ROSETTE, LITTLE PEACH AND PEAR BLIGHT** among peach, plum, cherry, prune, almond, apricot, nectarine and pear trees or the fruit thereof by providing measures for the eradication of the same, and to repeal act number one hundred twelve of the public acts of eighteen hundred ninety-three, approved May twenty-fifth, eighteen hundred ninety-three.

[Act 109 P. A. 1895.]

*The People of the State of Michigan enact:*

(5681.) SECTION 1. That it shall be unlawful for any person to keep any peach, almond, apricot, plum, prune, cherry, nectarine or pear tree infected with the contagious diseases known as yellows, black knot, peach rosette, little peach or pear blight, or to offer for sale or shipment, or to sell or to ship any of the fruit thereof, except the fruit of the plum, cherry and pear tree; that both tree and fruit so infected shall be subject to destruction as public nuisances, as hereinafter provided. No damages shall be awarded in any court in the State for entering upon the premises and destroying such diseased trees, or parts of trees, or fruit, if done in accordance with the provisions of this act. It shall be the duty of every person, as soon as he becomes aware of the existence of such disease in any tree, parts of trees or fruit owned by him, to forthwith destroy or cause said trees or fruit to be destroyed.

Unlawful to keep trees infected with contagious diseases.

Tree and fruit subject to destruction.

Duty of persons owning infected trees.

Title and section amended, 1899, Act 100, p. 143.  
For former acts, see local Act 379 of 1875, p. 726; Act 32 of 1879, p. 27; Act 174 of 1881, p. 210; Act 158 of 1891, p. 199; Act 112 of 1893, p. 152.

(5682) SEC. 2. In any township or city in this state in which such contagious diseases exist or in which there is good reason to believe they exist or danger may be justly apprehended of their introduction, it shall be the duty of the township board, or city council as soon as such information becomes known to either such board or council, or any member thereof, to appoint forthwith three competent freeholders of said township or city, as commissioners, to be known as yellows commissioners, who shall hold office during the pleasure of said board, or city council, and such order of appointment and of revocation shall be entered at large upon the township or city records: Provided, That the commissioners now appointed and in office shall continue in said office until their successors are appointed and qualified: Provided, That in case commissioners have already been appointed to prevent the spreading of bush, vine

and fruit tree pests, such commissioners shall be *ex officio* commissioners under this act.

To file acceptance with clerk of township.

(5683) SEC. 3. It shall be the duty of said commissioners, within ten days after appointment as aforesaid, to file their acceptances of the same with the clerk of said township, or city, and said clerk shall be *ex officio* clerk of said board of commissioners and he shall keep a correct record of the proceedings of said board in a book to be provided for the purpose, and shall file and preserve all papers pertaining to the duties and actions of said commissioners, or either of them, which shall be a part of the records of said township or city.

Keep record of proceedings.

Duty of commissioners in regard to contagious diseases.

(5684) SEC. 4. It shall be the duty of the commissioners, or any one of them, upon, or without complaint, whenever it comes to their notice that either of the diseases known as yellows, black knot, peach rosette or pear blight exist, or are supposed to exist within the limits of their township, village or city, to proceed without delay to examine the tree or fruit supposed to be infected, and if the disease is found to exist, a distinguishing mark shall be placed upon the diseased trees, and the owners notified personally, or by a written notice left at his usual place of residence, or if the owner be a non-resident, by leaving the notice with the person in charge of the trees or fruit, or the person in whose possession said trees or fruit may be. The notice shall contain a simple statement of the facts as found to exist, with an order to effectually uproot and destroy, by fire, or as the commissioner shall order, the trees so marked or designated, or such parts thereof, within five days, Sundays excepted, from the date of the service of the notice, and in case of fruit so infected, such notice shall require the person in whose possession or control it is found to immediately destroy the same, or cause it to be done, or the commissioner may destroy the same. Said notice and order to be signed by one or more of the commissioners.

Notice, what to state.

In case person interested to serve written notice on commissioners that trees are not diseased.

(5685) SEC. 5. In case any person who is interested in any tree or trees so ordered to be destroyed shall feel aggrieved by such order and shall believe that such trees are not so diseased, he may serve a written notice upon all of the commissioners in the township in which such trees are situated, which notice shall specify the part of such order to which objection is made and the particular tree or trees included in such order which it is claimed are not so diseased and shall request an examination of such tree or trees by all of said commissioners, which notice shall be served personally upon each of said commissioners within the five days given for the destruction of said trees and it shall thereupon be the duty of all of said commissioners who have not already done so to personally examine such tree or trees as soon as practicable, and within said five days, and if a majority of all the commissioners shall agree that such tree or trees are so diseased, they shall order the same to be destroyed forthwith by the owner or custodian thereof, but if a majority shall decide that such tree or trees, or any of them,

May request commissioners to examine trees.

are not so diseased, they shall revoke the order of the commissioner to destroy the same so far as it relates to the trees so found to be free from disease, but this section shall not apply to fruit ordered to be destroyed.

When commissioners may revoke order for destruction of trees.

(5686) SEC. 6. Whenever any person shall refuse or neglect to comply with the order to remove and destroy the trees or parts of trees so designated and marked by the commissioner as aforesaid, it shall become the duty of the commissioner to cause said trees or parts of trees to be removed and destroyed forthwith, employing all necessary aid for that purpose. The expenses for such removal and destruction of trees or parts of trees to be a charge against the township or city, and for the purpose of such removal [and] or destruction, the said commissioners, their agents and workmen, shall have the right and power to enter upon any and all premises within their township or city.

Commissioner to remove trees in certain cases.

An Act to prevent the introduction or spread of SAN JOSE SCALE OR OTHER INJURIOUS INSECTS OR INFECTIOUS DISEASES of trees, vines, shrubs or plants grown in this State or imported from other states, provinces or countries.

[Act 137, P. A. 1897.]

*The People of the State of Michigan enact:*

Board of agriculture to appoint inspectors of nurseries and orchards.

Term of office, duties.

(5696) SECTION 1. That it shall be the duty of the state board of agriculture, immediately upon the taking effect of this act, to appoint some competent person who shall be known as state inspector of nurseries and orchards, who shall hold office during the pleasure of said board, whose duty shall be to inspect any and all nurseries in the state of Michigan, as to whether they are infected by San Jose scale or other injurious or destructive insects or infected with infectious or contagious diseases, and if upon such inspection he find no such dangerous insects or diseases, he shall upon payment of per diem fee hereinafter provided, give to the owner of such nurseries a certificate to that effect, and shall file a duplicate certificate with the state board of agriculture; and in case he shall find present in any such nursery any of said dangerous insects or diseases, he shall notify the owner thereof in writing, and shall direct him within five days to use such means as will exterminate such dangerous diseases or insects, and the owner of such nursery shall not ship nor deliver any such trees, vines, shrubs or plants affected by such dangerous insects or diseases until he shall have secured from said inspector a certificate as aforesaid.

Owners of nurseries, etc., to destroy insects or diseases in trees.

Not to ship nor deliver trees infected.

(5697) SEC. 2. The owner of such nursery, trees, vines, shrubs or plants shall, within the time specified in such notice, take such steps for the destruction of such insects or diseases as will exterminate the same, and he shall not ship nor deliver any such trees, vines, shrubs nor plants affected with such dangerous diseases or insects under the penalty of a fine of one dollar for every tree, vine, plant or shrub so affected, when shipped or delivered from such nursery, which fine shall be collected by suit by the prosecuting attorney of the county in which said nursery is located.

(5698) SEC. 3. Whenever it shall happen that the state inspector of nurseries and orchards shall give the notice heretofore required to the owner of a nursery, for the destruction of the insects or diseases mentioned, and said owner shall fail or neglect to take the measures necessary for the destruction thereof, within the time mentioned in the notice given him, it shall be the duty of the state inspector of nurseries and orchards to have the proper remedies applied to such nursery for the destruction of such diseases or insects, and shall employ all necessary assistance and may enter the premises of said owner of such nursery for the purpose of treating and exterminating such insects or diseases and the said owner of such nursery shall be liable for the costs of such proceeding, for the services of the inspector at a rate per diem to be fixed by the state board of agriculture, not to exceed three dollars per day, and for such number of days as said board shall determine, which said charge must be paid before delivery of the certificate in section one of this act.

In case owner refuse to destroy infected trees, duty of inspector.

May employ assistance.

Owner liable for costs.

Failure on the part of any nurseryman, grower, agent or dealer to comply with the provisions of this section shall render him or them liable to the penalties of a fine of not more than one hundred nor less than twenty-five dollars, or imprisonment in the county jail for not more than ninety nor less than thirty days or both such fine and imprisonment in the discretion of the court for each and every such sale. Such information shall be preserved and be for the sole use of the nursery and orchard inspector and his deputies: Provided, That the provisions of the preceding sections shall not apply to persons engaged in fruit growing, who are not nurserymen, who desire to sell or exchange surplus trees or plants of their own growing.
Penalty for not filing list.	
Proviso as to who may sell or exchange trees, etc.	
Foreign firms or corporations to obtain license from board to sell in this state.	(5701) SEC. 6. No person, firm or corporation resident of another state, province or country shall engage or continue in the business of importing any trees, plants, shrubs or vines, commonly known as nursery stock, into this state or of selling such importations within the state, or of selling such articles within the state, for subsequent importation into it, without first having obtained from the state board of agriculture a license to do business in this state as provided in section five of this act, and shall have filed with the state board of agriculture the bond therein required, together with a certificate of inspection by a state or government inspector or that of some person designated by the Michigan state board of agriculture for such purpose.
To file bond and certificate with board.	
Upon receipt of fee board to issue license.	(5702) SEC. 7. The state board of agriculture shall, upon receipt of the fee referred to in this act, together with the required bond and a satisfactory certificate of inspection, issue licenses to the applicant according to the provisions of this act.
In case of dispute between committee and owner as to infected trees, inspector to investigate.	(5703) SEC. 8. Whenever the commissioners under acts number one hundred and eight and one hundred and nine, session laws of eighteen hundred and ninety-five, known as yellows commissioners, shall be uncertain as to the existence or nature of any infectious or contagious disease or dangerous insect pest in an orchard or elsewhere, or in case any dispute shall arise between owners and commissioners, it shall be the duty of said commissioners to notify the state inspector of orchards and nurseries, who shall at once investigate or inquire into the matter and suggest or recommend the proper remedies, and give all the information he can to aid in exterminating such insects or diseases, and his decision of the case and recommendation shall be final.
To recommend proper remedies, decision to be final.	

The two acts above referred to are the first two acts of this compilation.

(5704) SEC. 9. It shall be the duty of the state inspector, whenever it shall come to his knowledge that any destructive insects or infectious or contagious diseases exist in any orchard in this state, or are supposed to exist, to investigate the case, and if such dangerous insects or diseases are found, he shall have authority to enter upon the premises and proceed according to the provisions of sections one, two and three of this act, in exterminating the same. In case the owner or occupant of the premises shall refuse or neglect to comply with the orders of said inspector within five days, the inspector shall employ such aid as may be necessary to carry out his orders and recommendations, the expense of which procedure shall be certified to the township board and by them allowed, who shall cause the same to be assessed as a special tax upon the premises concerned.

When may enter premises and inspect orchards.

In case owner refuse, how to proceed.

(5705) SEC. 10. The state inspector of orchards and nurseries shall have power to appoint such number of deputy inspectors as may be required, subject to approval by the state board of agriculture.
